I. INTRODUCTION

A. *Purpose of This Request for Proposals*

The purpose of the Request for Proposal (RFP) is to solicit sealed proposals to establish a contract through competitive negotiation for the procurement of the State of New Mexico's Department of Finance and Administration (DFA) Annual Financial and Compliance Audit.

The audit(s) are to be performed in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards set forth by the Comptroller General of the United States, the provisions of the Federal Single Audit Rule, Amendments of 1996 GASB 34/35, applicable Federal Office of Management and Budget (OMB) circulars, including Title 2 U.S. Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards. The audit must comply with New Mexico State Auditor Rule, Requirements for Contracting and Conducting Governmental Audits (2.2.2 NMAC).

B. *Background Information*

The agency financial statements consist of all funds over which the DFA Secretary has authority except for those funds comprising the State General Fund, which are reported in a separate Annual Financial report issued by the Office of the State Controller.

The agency receives the majority of its support from the State's General fund, fees, assessments, surcharges and various federal grants. The major funds include the general fund which is the agency's primary operating fund appropriated in Section 4 of the General Appropriations Act, the Board of Finance bond funds which include severance tax and general obligation bond proceeds and debt service fund, the federal Community Development Block Grant program, the State's Enhanced 911 grant program, the Law Enforcement Protection fund, the County Supported Medicaid fund, the Local DWI Grant program, and the Small Counties Assistance fund. The non-major funds consist of the Civil Legal Services Program, Domestic Violence Treatment program, Juvenile Adjudication Program, Neighborhood Stabilization Program, Computer Enhancement fund, County Remittance fund, and General Fund Capital Outlay Statewide. DFA also maintains multiple fiduciary funds used to account for assets held in a custodial capacity belonging to other entities that are not part of the State government and consist entirely of agency funds.

The agency has received many new federal awards including Coronavirus Relief Fund, Emergency Rental Assistance, Homeowner Assistance Fund, State and Local Fiscal Recovery, and Governors Emergency Education Relief.

C. *Scope of Procurement*

Offerors must be on the most current New Mexico Office of the State Auditor's (OSA) list of independent public accounting (IPA) firms that are approved and eligible to compete for audit contracts, AUPs, and other attest engagements with agencies at time of proposal submission. The state auditor's list of approved firms is reviewed and updated annually. **A proposal will be disqualified if the Offeror is not on the New Mexico State Auditor's approved list at the time of submission.**

However, DFA should not provide to any third party, other than the Comprehensive Annual Financial Report auditor, the draft audit report or its opinion letters or findings.

13. **CONFLICT OF INTEREST**

The Contractor represents and warrants that it presently has no interest and shall not acquire any interest, direct or indirect, which would conflict in any manner or degree with the performance of

services required under this Contract. Each of the Contractor and the Agency certifies that it has followed the requirements of the Governmental Conduct Act, Section 10-16-1, *et seq.*, NMSA 1978, regarding contracting with a public officer, state employee or former state employee, as required by the applicable professional standards.

If sufficient appropriations and authorization are not made by the legislature or the Agency's governing body, this Contract shall terminate upon written notice being given by the Agency to

the Contractor. The Agency's decision as to whether sufficient appropriations are available shall be accepted by the Contractor and shall be final. This section of the Contract does not supersede the Agency's requirement to have an annual audit pursuant to Section 12-6-3(A) NMSA 1978.

A prospective contractor submitting a disclosure statement pursuant to this section who has not contributed to an applicable public official, whose family members have not contributed to an applicable public official or whose representatives have not contributed to an applicable public official shall make a statement that no contribution was made.

A prospective contractor or a family member or representative of the prospective contractor shall not give a campaign contribution or other thing of value to an applicable public official or the applicable public official's employees during the pendency of the procurement process or during the pendency of negotiations for a sole source or small purchase contract.

Furthermore, a solicitation or proposed award for a proposed contract may be canceled pursuant to Section [13-1-181](#) NMSA 1978 or a contract that is executed may be ratified or terminated pursuant to Section [13-1-182](#) NMSA 1978 if a prospective contractor fails to submit a fully completed disclosure statement pursuant to this section; or a prospective contractor or family member or representative of the prospective contractor gives a campaign contribution or other thing of value to an applicable public official or the applicable public official's employees during the pendency of the procurement process.
